

STUDENT EVALUATION

ACNA prides itself on the educational benefits of driving schools. Keep in mind that every track brings with it new experiences and situations regardless of how many times you have been there. Please take a moment to review the feedback your instructor has provided to you and take this opportunity to keep an open mind and improve your abilities.

Student Name: _____ **Run Group:** _____ **Car Number:** _____

Instructor Name: _____ **E-mail (for student if desired):** _____

INSTRUCTORS: Please rank the student in each Category from 1 (poor) to 10 (excellent) based on the expected level of a student for their run group. Review this sheet with your student prior to handing this in at the Event Control location at the end of the driving school.

Basic	Rating

Smooth Down Shifts (Enter N/A if Automatic)	
Turn Entry, Apex and Exit	
Smooth Transitions Between Braking, Cornering and Acceleration	
Traffic Awareness and Use of Mirrors	
Passing Technique and Etiquette	
Comfort at Speed	

Run Group Placement	CHECK ONE
Move down one group: Student needs more time to develop and may make more progress by being in a different group.	
Stay in same group: Student requires more time to develop one or more skills listed above.	
Move up one group: Student demonstrates very high ranking in the all of the categories above.	

INSTRUCTORS: Please provide your student one or two items that they have done well as well as areas to continue to develop following the driving school.

Does Well	Work On
1.	1.
2.	2.
